14th January 2026

Dear BMC Parents

We have made a good start. Prefects have had some good training with SCOT, an amazing group of young professional volunteers offering so much valuable advice. We need to congratulate them on their appointments(details below). 73 Form Ones arrived on Sunday morning and we rounded off the parents' time with us in the Chapel for a service with our Chaplain. A good number of students arrived back on a wet Monday before the gates closed after 4pm.

In the holidays we have refurbished the Upper Six classrooms including a smartboard. We have started levelling our soccer fields with the aim of planting Kikuyu grass. Some Masemola parents are dismayed to find their boys in Kapuya while we renovate the third dormitory to a high standard during termtime. This will be an ongoing upgrading each term for the two other dormitories.

You will have seen the Whatsapp post on our A Level results from 2025. I must apologise to Kuda Takawira for having his A* for Chemistry when it was supposed to be for Computer Science. Here are a few more details: 100% passes in Accounts, Biblical Studies, Biology, Business Studies, Economics, History, Literature in English, Mathematics, Physics

Here are number of candidates earning this symbol in a subject: 5 A*, 17 A, 26 B, 46 C, 22 D, 11 E. Results in the General Paper were also pleasing. Students and teachers can be proud of their achievements. We need to get down to the business of rebuilding our **Parent Teacher Association for 2026**. We are looking for volunteers for each Form to meet us upstairs at Alexandra Sports Club on Saturday 31st January at 2pm to create a new committee and map out plans for the year. We hope some experienced members of the committee from 2025 will continue the good work of the past.

Captains for 2026:

| | | | |
|----------------------|---------------------|--------------|-------------------------|
| College Captain | Prosper Dozwa | | |
| College Vice-captain | General Zhouwalehe | | |

| IT Captain | Craig Mautsa | Vice-captain | Christian Charidza |

Our 2025 College magazine has finally reached us and is on sale for USD20. See the Secretary for your copy. It is a fine record of all our accomplishments last year at every level.

Our cricketers will be supporting the ICC Under 19 World Cup at Takashinga on Sunday. We all need to support such high profile events. See you there.

Yours in quality education

Howard Matthews
